Sunday Obligation:

Since the beginning of the Covid pandemic, until the present time, we have shared with you our judgment that the situation of the last two years has meant that the Sunday Obligation has been impeded and has needed to be fulfilled in other ways. We thank God that this situation has now changed. "The pressing challenges of the pandemic have lessened significantly. Most people have resumed the wide range of normal activities, no longer restricted by the previous Covid measures. We therefore believe that the reasons which have prevented Catholics from attending Mass on Sundays and Holy Days of Obligation no longer apply. "We understand there will still be some members of our congregations who, for reasons of health, do not feel safe enough to return to Mass. It has always been the understanding of the Church that when the freedom of any Catholic to attend Mass in person is impeded for a serious reason, because of situations such as ill health, care for the sick or legitimate fear, this is not a breach of the Sunday Obligation." **Bishops Conference**

Making time for Confession

The Church calls us to examine our lives, and amend and correct those faults that separate us from God. One of the best and most effective ways we can draw closer to God is by confessing our sins. It is through the Sacrament of Reconciliation that the Church provides us with the means to make our relationship right again with God. The sacrament is one of healing because through it we find absolution and mercy and forgiveness. Sometimes we get nervous about going to confession. But don't let nerves or fear hold you back. However long it has been, however bad the sin, however embarrassed you feel, don't let anything stop you from going to confession. Please think about taking this opportunity to come closer to God.

Please see Therese if there any of these events that your child may consider attending and we can see what we can do to assist.

WORLD YOUTH DAY LISBON

Please invite a young person (aged 16 - 30 yrs) from your parish to take part in this extra ordinary opportunity to be part of the universal church and meet young Catholics from every country around the world as we gather with Pope Francis in Lisbon. July 24th - Aug 7th 2023 . Our parish is looking to sponsor at least one traveller. Please let Therese know if you are interested.

The Faith in Action and JPPI Award enables young people to take an active part in the life of their Church or gives recognition for the service they already give - in the life of their parish community, school and society. It also enables young people to become more aware of the teaching and role of the Catholic Church in the world and to engage at a deep level with Christ.

We would like to run the award in our parish to recognise the great service that our youth provide whether in altar serving, reading, choir, children's liturgy and fundraising. Please see Therese if this is something your child would be interested in.

Our refreshed Piety stall!

Our Youth have taken responsibility for running our piety stall, overseen by Therese. They have purchased a few nice items and would love to hear from you as to what else you would like to see available to purchase from them? Their initial purchases have been supported by the parish with funds provided by the 100 club but we hope that they will very soon generate funds to be able to add to their stock. We are very hopeful to have a parish Christmas card this year! These will be available from the piety stall in December so please hold fire in purchasing your cards! Please take a moment to take a look after mass and speak to the children. Maybe over a period of time the profits generated will help them finance a youth retreat at Alton Castle or further afield!!
